

2024 Choice Outstanding Academic Titles from Rowman & Littlefield and Lexington Books – now a part of Bloomsbury

Explore our 2024 Choice Outstanding Academic Titles

These critically acclaimed books represent the best in scholarly publishing, both print and digital, reviewed by Choice during the previous year. We're delighted to share the 26 winners from across Bloomsbury, now including titles originally published under the Rowman & Littlefield and Lexington Books imprints.

On American Swastika

"A necessary study for any scholar, student, or citizen seeking to better understand the persistence and pervasiveness of white supremacy in the US."

- Choice

On Unraveling Dyslexia

"The consummate source for the most comprehensive information on dyslexia to date."

- Choice

On The 1973 Arab-Israeli War

"This exceptionally well-integrated collection of essays about the October 1973 War ... and its consequences offers an excellent overview of Arab-Israeli politics prior to October 7, 2023."

- Choice

On The English Modernist Novel as Political Theology

"This is a stunning work of literary analysis, critical theory, philosophy, and a clear introduction to the burgeoning field of political theology."

- Choice

On The History of German Literature on Film

"Remarkable ... this volume is a tour de force of film historical scholarship."

- Choice

On Hormonal Theory

"Debunks some commonly held misconceptions about hormones and makes a substantial contribution to the understanding of the crucial role hormones play in many aspects of human lives."

- Choice
